**Rock Ridge Hunt Club**

## **Wade Latz, Owner**

**Rock Ridge Hunt Club offers a one of a kind Training and Practice Membership.**

**A training & practice membership allows an individual to use Rock Ridge Hunt Club throughout the year. This membership also allows for the use of release traps, training birds (pigeon - not to be shot), and pre-purchased training birds (game birds) at a reduced rate. Birds will be caught and left crated for use as the trainer/handler wishes for the session. The purpose of the membership is to be able to train a puppy/inexperienced dog or keep a trained dog on the top of their game.**
